Petals A Florist

Best of Florist

Review Highlights - "Original, creative and contemporary. . . . I have used Petals A Florist for the past 10 years. They have provided us with the most exquisite arrangements - for small intimate dinner parties as well as receptions of 200 people; sending gifts is only a short e-mail away. They update my file continuously, so ordering flowers for friends and business associates is quick and easy. Tim and his staff produce the most original and breathtaking arrangements. And the holidays! They help decorate my home - inside and out - and it makes the season stress free, not to mention beautiful and festive. I never use anyone else."
